MEMORANDUM FOR THE RECORD

SUBJECT: Briefing of SSCI Staff Members on Security Issues

1. SSCI staff members were briefed on 21 November by Office of Security and Office of Information Technology Representatives on a variety of security issues related to updating their 1986 report on counterintelligence and security. The principal briefers were _____ on physical and technical security, _____ on personnel security, and _____ on information security. Others attending the briefing were _____ Office of the Comptroller, _____ OS, and _____ OIT. The SSCI staff members were Britt Snider, John Elliff, Ed Levine, Jim Dykstra, Charles Battaglia, and Dwight Howes. The session began at 0830 and continued until noon when the participants joined the DDA for lunch in the DCI dining room; the briefings resumed after lunch with some further discussions of personnel security and information security.

2. _____ discussed in detail the principal organizational elements of the technical security group, their major responsibilities and programs, new initiatives and problem areas as it related to his group and OS in general. He also commented on personnel, career service, and staffing matters. Some of the more salient questions raised during the discussion were:
